Salt Lake, May 12. A dispatch from Havana says four American vessels opened fire on Cienfugos on ter than to-morrow the 13th inst.
Wednesday morning and attempted and where they fail electors may to land arms in barges. The Span-ish troops, assisted by the forts drove off the invaders. Two attempts to land were made. Both sides are reported to have lost heavily.

The smaller American torpedo boats are getting altogether too reckless in running within range of on Monday- From there he went The Tecumseh came near being blown out of the water yesterday by will be at Parowan on the 16th. to a 20 inch shell from the Havana

The U. S. gunboat Concord, fol-Departures from Deerlodge and ship, the Iloila, in the Phillipines. Vicinity continue. Evidently the There were no casualties on board the Concord.

Two other Spanish warships are in Asiatic waters, one being at Hong Kong. The U.S. cruiser Boston is searching for the other with orders to engage it and sink it.

A special from fort DeFrance. Martinque, says an American squadron of nine ships is bombarding San Juan, Porto Rico.

District Court Suits

J. Nesbitt & Bro. last week brought suit against Gus Burth to recover \$1500.00 alleged to be due from Burth to plaintiffs for money expended on his account in developing the Fraction mining claim in Ferguson district.

This is the claim which is in litigation between Nesbitt Bro. and Burth and the DeLamar Mining

A petition and bond have been filed in the damage suit of John Guanilla against the DeLamar Mining Company, to remove the case to the U. S. Circuit court at Carson, and the trial will not take place until the fall term of that court.

Orders for juries have been sent in. A grand jury will sit on June 3rd. and a trial jury on June 6th. Thirty five names are called for the trial jury.

To Celebrate the 4th.

It looks very much as though we will have extra cause to celebrate the 4th, this year and the Knights of the Maccabees at their meeting on Tuesday evening decided to give a ball on the evening of that day at comers could not qualify even if Thompson's Hall. Arrangements will be made to have it the best affair of the kind that has occurred here in a long time.

A proposition was made to also celebrate the day in good old time fashion, and to discuss the best way Fred C. Berger yestedray received to do it and make it an entirely ders and transportation from public matter, it was arranged that

> The undersigned has been appointed agent of A. Mandich and state. all persons knowing themselves in-debted to said A. Mandieh will ar-been made public, but the moves range to pay their claims to the un-

to DeLamar. He was believed to have heart disease, but it develops that he has printers lead poisoning from handling type but it is not in severe form and since leaving he has been exceptionally well and

Jacobson the drummer was with us this week. He reports business generally on his circuit as picking p, DeLamar included.

The Daily Look is eagerly looked for these days, containing as it does the latest telegraphic news. It keeps man hustling to get it out, but the public appreciate the situation and recognize the resulting benefits.

School Trustees Election

On the fourth Monday in this month, the 23., elections will be held under the law for school trustees in each school district in the county.

Spanish Cape Verde fleet being at should give ten days notice Cadiz. If the report is confirmed, by posting notices in three public it is anticipated that within 48 hours places in the district, the notices so posted to specify where such election Cuba and Porto Rico, as the squad- will be held and during what hours

If the trustees of a district fail to Porto Rico are considered amply give such notice then any three able to successfully perform the electors of a district may give five one of his trips. The claim embraces Spanish mobs burned a large ware- No registration is necessary for

Judges and inspectors are to be appointed by the trustees of a dispoint, the electors present at the day

The new law will be found on page 100 of the statutes of 1897. From the above it will be seen that notices of election to be effective. should be posted by trustees not laand where they fail electors may post as late as the 18th.

As it is a matter of importance elections should be held in each district, so that suitable boards may be elected, and complaints avoided of appointments made by School Super intendents in districts where election are neglected, for it must not be are neglected, that professions and believes that the series of the age, pleasant and left saling to the taste, act gently and positively on kidneys, liver and bowels, cleansing the entire system, dispel coldscure headache, fever, habitual constitution and biliousness. Please the big Spanish guns at the forts. overlooked that preferences and petty jealousies exist in nearly every district, and past elections have been generally neglected since the election of trustees was taken from the general election in the fall, and made lowed and destroyed a Spanish war- to occur in the spring of the year.

When people buy, try, and buy again it means they're satisfied. The ople of the United States are now buying Cascarets Candy Cathartic at the rate of two million boxes a year and it will be three million before New Year's. It means merit proved that Cascarets are the most delightbowel regulator for everybody the year around. All druggists 10c, 25, 50ca box, cure guarnteed.

Mail Change Again.

The run between Salt Lake and Milford is now made in the daytime. The first train was run on Monday last. Under the new schedule train leave Salt Lake at 7. 30 a. m. arriving at Milford at 6. 40 p. m. Going north trains will leave Milford at 7 .-20 a. m. and arrive at Salt Lake at 6. 20 p. m.

Stages will leave Milford as soon after train arrival as mails can be obtained which will usually be about 8 p. m. This will give Pioche its mail at 6 o'clock the following evening, while DeLamar's mail will arrive during the early hours of the morning.

This will give this section its aper and other mail twelve hours

earlier than the present system. The change will be objected to by the travelling public however, as under it no sleeper will be attached

At present the mail from Pioche will leave daily except Sunday, at 8 m. This hour may be changed later on, when bad roads or shortening days make it desireable.

A New Paper.

Pioche is to have another news paper. N. P. Dooley and others will publish it. The material has been supplied by a party in the western part of the state and the paper will be conducted in the political interests of that party or individual during the approaching campaign. The first issue will come out next month. The

material for the plant is now enroute. The backers of our new sheet have started papers already in Virginia and Reno, and propose to put in one or two more in other parts of the

are supposed to have something to do with the election of our U. S. Senator by our next legislature.

An election for School Trustees far Pioche District, will be held 8 p. m. at the School House on the 23d day of May, 1898. Que trustee for the long term and one for short term Gene Goodrich, who went to Salt are to be elected. All candidates Late last month on account of his will leave their names with the Trus health finds that he is allright, and tees, so that their names can be after a month's stay there will return | placed on the tickets. No other tick ets will be counted.

Polls will opened at 10 o'clock a. m and close at 5 p m that day.

By order of the Board of trustees, Geo. S. Sawyer. J. D. Campbell, A. S. Thompson.

Summit Mill.

Work at the Summit mill continues and the mill is doing good work, but bad air in the mine limits the output of ore.

An air shaft is being put down at the extreme eastern end of the Yuba. Work has been going on there for a month past but another month more elapse before the tunnel level can be reached. When that is done plenty of ore can be taken out to keep the mill running to its fullest capacity. In the meantime some of the stopes are inaccessible from bad air, and the miners frequently be-School trustees in each district come affected by bad air in other parts of the mine so that the extraction of ore is considerably less than Working through to DeLait should be.

Joe Cook sued Dr. J. D. Campbell in the Justice's Court yesterday to recover \$135.50 on a bill for livery hire and killing a horse on days notice in the manner specified. | a lot of old entries. Plaintiff has no attorney and on motion the case was continued till 10 o'clock next Thursday morning.

> The spanish minister of Marine "No Spanish ship should strike her colors to an American man of war. She should blow up her own magazine first." If there is no objection from any source-and we hear none—that proposition will be accepted without debate, says the Chicago Times-Herald.

Everybody Says So.
